VOCABULARY: Vacation Types

Which vacation type is it?

Amine is spending a week in Paris. He found a nice deal online. It includes the plane tickets and hotel.

Do you like adventure? Our travel agency offers exclusive trips to the High Atlas mountains. Time to book you trip!

My family and I are planning to stay in a hotel for five days. We're going to have a lot of fun!

VOCABULARY: Vacation Types

Which vacation type is it?

Sara's parents are going to Mecca again. They like to spend some days of Ramadan there.

Our neighbors travelled to China last summer. They had a guide with them all the time.

I'm saving enough money to buy a trip to Kenya. Being among wild animals would be an amazing travel experience.
